<p>18/183 Speed Control Measures : Re School There is now a pedestrian entrance to the school grounds from KC Active, but no signing to warn drivers accordingly. There are obsolete school warning signs in Park Street (3) which could be re-used here. The third obsolete sign from Park Street could possibly be placed on the lamp column outside Nos 117/119 Wood Street which is owned by the Parish Council.</p> <p>Proposed: Councillor Atkinson Seconded: Councillor Harwick</p> <p>However whilst the warnings signs solve one issue , the other issue relates to the route that Children take to the new pathway , options are :-</p> <ol style="list-style-type: none"> 1.Improving extending the path into Kingsmead so that pedestrians cross at a narrower section of road, midway between the junction and the bend. This option has been costed at between £6k-£10k, depending on exact requirements. This assumes there are no utilities to be moved/lowered to accommodate this. It would need landowner consent, and may need planning permission and/or consultation. 2. Alternative a Mini Roundabout at the same location. <p>Agreed to request Kier to cost and exact quote for this for consideration then apply for a Community Fund 2019/2020.</p> <p>Kings Forest – a concern was raised by a member of the public about the current crossing point at the end of Coleman’s Lane, as some motorists give way to the children but others do not. We are Advised that as it is not a ‘controlled’ crossing point (eg a zebra crossing) drivers do not need to give way, so those who do are simply being courteous.</p>	

<p>It is likely that numbers crossing here throughout the day are low compared to most places with zebra crossings, and so we would be unlikely to wish to install a zebra crossing here, however it is still a busy crossing point for the children going or coming from the school</p> <p>As an indication of the possible costs, a typical zebra crossing will cost in the region of £30,000. In this case it is likely that the existing raised platform would need to be removed.</p> <p>Could we enforce a 20 mph? Clerk to contact Highways for their views on this.</p> <p>Village Gateways Request quotes for a single gateway at Blatherwyke Road and a double gateway at Apethorpe Road and would this be cheaper for them both to be done at the same time?</p> <p>18/184 Amenities Sub Committee Cllr Day to discuss the Oak Tree planted at the Pytchell. Clerk to arrange a meeting for January for a walk around.</p> <p>18/185 Burial Board Report RJC confirmed there will be no increase in fees for 2019. During January/February they will be attending to the trees and hedges down the drive. Cllr Gilbert obtaining quote for the refurbishment of the cemetery gates, we will then obtain a quote for the repositioning of the fallen grave stones.</p> <p>18/186 Neighbourhood Plan/Housing Need Survey Cllr Atkinson to confirm we have had no additional comments and will now finalize and distribute.</p> <p>18/187 Gazette entry for February 2019 Cllr Meadows to prepare something for the forthcoming Gazette on changes of Right of Ways. Agreed and Discussed.</p> <p>18/188 Correspondence Received We have received correspondence from Peter Wallace, Chair of Trustees of the KC Law & Hutcheson Charities in relation to their donations of two trees for the cemetery. Agreed two Old English Oak at the top of the treeline. This should be referred to the Burial Board.</p> <p>18/189 Any Other Business Cllr Brown and Cllr Day to chase up suppliers to quote for the North side of Sovereign Grange (fencing entrance etc). These are likely to be around April and not free to quote till then.</p> <p>Clerk to contact resident on West Street regarding the overgrown shrubbery which is now obstructing the pathway and Cllr Harwick to contact other resident on West Street.</p> <p>The next Meeting will be held at 7.30 pm on Thursday 7th February 2019 at Kings Cliffe Active.</p> <p>Signed _____ Date _____</p>	<p>Clerk</p> <p>Cllr Day Clerk</p> <p>Cllr Gilbert</p> <p>Cllr Atkinson</p> <p>Cllr Meadows</p> <p>Clerk</p> <p>Cllr Day Cllr Brown Clerk</p>
